## MARCO VOLCY

The new single "Bois Caïman" by singer-songwriter Marco Volcy will be available on various digital platforms starting February 1st in honor of Black History Month.

With a unique blend of pop, R&B, and Rara, "Bois Caiman" is written in French and also features Haitian Creole lyrics including the phrase "Koupe Tèt Boul Kay," which was a battle cry used by the rebels to signify their determination to overthrow the oppressors and gain independence for Haiti. The song is an homage to the artist's connection to his Haitian heritage and the diverse cultural influences of Brooklyn, where he currently resides.

The single comes with a lyric video featuring guitarist Monvelyno Alexis, dancers Veroushka Eugene, Vanessa Eugène, and Fanny Exantus.

"Bois Caiman" is just one of the powerful tracks included in Marco Volcy's upcoming EP, *Maverick*. The EP is set to be released on March 3rd, 2023, and is a must-listen for fans of music with a unique blend of Soul, R&B, and Caribbean flavors.

To celebrate the release of his new EP, Marco Volcy will be performing at the Shrine World Music Venue in Harlem, New York on March 10th.
