Bio

Embarking on a musical journey from 2000 to 2017, Marco Volcy's artistic prowess made an indelible mark on the industry. In a twist of life's narrative, he took a hiatus for personal reasons, momentarily stepping away from the spotlight while still nurturing his passion for music through production and intermittent performances. It wasn't until November 2022 that the artist, fueled by a renewed spirit and creative vigor, decided to reignite the flame of his career. Thus, 2023 emerged as a pivotal chapter, marking the triumphant return of the artist to the scene, setting the stage for a new era of musical innovation and artistic resurgence.

Renowned for his musical alchemy seamlessly blending soulful melodies, Caribbean rhythms, and artistic mystique, Marco Volcy stands as a contemporary maestro of sonic innovation. Emerging from the depths of his rich Haitian heritage, he has carved a distinctive niche in the music realm, weaving a tapestry that transcends time and genre.

All in 2023

Collaborating with the enchanting Penelope Jennifer, Marco Volcy, the storyteller through music, crafted the emotionally charged single, "On est parfait." Notably, this evocative piece has found its place on Trace Caribbean's playlist, expanding its reach and resonating with a broader audience. The accompanying music video achieved remarkable success, amassing over 100,000 views on YouTube, a testament to the universal appeal of soulful melodies and Caribbean rhythms.

In one of his most recent sonic ventures, Marco unveiled the "Maverick" EP, a seven-track odyssey delving deep into the essence of his Haitian roots and the labyrinth of experiences as a Haitian Canadian navigating the vibrant tapestry of the US.

Following the single "Out of Sight," Marco Volcy released "Black Love." This single artfully interlaced the rhythmic resonance of Haitian konpa sound with modern elements, offering a timeless auditory experience defying conventional boundaries. In this musical continuum, Marco's artistry evolved, weaving together a narrative transcending individual tracks, unfolding as a seamless expression of his boundless creativity.

As Marco continues to push boundaries and redefine musical landscapes, his dynamic journey unfolds. A true maverick of sound, he invites listeners to embark on a sensory expedition, where each note is a brushstroke on the canvas of his evolving artistry. With a commitment to artistic excellence, Marco Volcy remains an icon of sophistication, class, and boundless creativity in the ever-evolving world of music.

Discography

2000 - Marco's debut album received great reviews, more than a promising start. The artist has surrounded himself with musicians such as famous jazz pianist [Oliver Jones](#), Oscar Peterson Prize winner [Charles Biddle Sr.](#) and Canadian singer-songwriter [Daniel Lavoie](#), with whom he performed the song "Plus qu'une femme".

2010 - Marco chose a new direction for his second album "C'est moi". The artist embraced different sounds in this opus, adding more than a slight touch of Caribbean vibrations.

2013 - After touring in France for a year, opening for [Corneille](#), Marco released his third album "Chasser nos rêves" in 2013. The success of the album resonates quickly. He is invited to tour in France for a second time. This time, he will perform in the legendary venues of [L'Olympia de Paris](#), [Le Bataclan](#), and [La Cigale](#).

2017 - Launched during the [Francofolies de Montréal](#) in June 2017, the album "Escale" reveals a deeper side of the artist. Nostalgia for past encounters, living with our own history, and the search for happiness, are the predominant subjects of this 4th album which also offers, for the first time, a few songs in English.

2023 - [Maverick](#) is a seven-track EP that delves deeper into the artist's connection to his Haitian heritage and experiences as a Haitian Canadian living in the US.

2023 - "[On est parfait](#)" is a symphony of emotions that transcends language, weaving together English and French lyrics to create a powerful and evocative narrative.
